## Welcome

to the 20th Annual Scientific Meeting of the European Society of Head & Neck Radiology 6-8 September 2007 in Oslo. We are delighted to let you know that the organisation of the first ESHNR congress to be held in Scandinavia is right "on schedule"!

We believe to have put together an innovating, scientific program presenting high profiled speakers from all over the world as well as an exciting social program that will give you a taste of the "Norwegian way of life"!

We also invite you to an excellent Precongress Tour "modestly" referred to as "The world's most beautiful voyage" showing you some of the most spectacular sights of Norway! Both Precongress Tour and the program in Oslo are designed not only for you, but also include your wife, husband and kids – so please bring your family along!

We have already registered 50 participants for the Precongress Tour. You still have the chance to sign up for this unique "Norwegian Experience"-trip. Make sure to register as soon as possible!

Our goal for the congress in Oslo is to bring the "ESHNR-family" closer together!

The Organising and ESHNR Executive Committees are looking forward to seeing you all in Oslo!

Yours sincerely,  
Heidi Beate Eggesbø  
Congress President
