

PRELIMINARY PROGRAM ESHNR 2007, 6-8 SEPTEMBER OSLO NORWAY

THURSDAY 6 SEPTEMBER

Precongress course venue: ENT Department, Rikshospitalet, Oslo

Practical course in ultrasonography of the neck for ENT surgeons and general and maxillofacial radiologists

Limited to 2 groups of 15 persons

- 08:30-09:00 Jonas Castelijns, Amsterdam: **US (FNAC) of the neck in patients with H&N cancer; overview**
 09:00-09:30 Jackie Brown, London: **US of salivary glands**
 9:30-10:30 **US (FNAC) of the neck in patients with H&N cancer: Panel discussion**
 Knut Brabrand, Oslo: **The radiologist view: cutting edge**
 Lisa Waalaas, Oslo: **FNA-Cytology, techniques and new perspectives**
 Terje Osnes, Oslo: **Everyday clinical use of US in oncological H & N surgery**
 10:30-12:00 **Case demonstrations - Hands-on-exercises in groups - Case discussion with final summary**

13:30 Opening Ceremony Bristol Hotel

New horizons in H&N imaging

- 14:00-14:30 Jan Casselman, Brugge: **New applications on CT**
 14:30-15:00 Tore A. Larheim, Oslo: **Temporomandibular joint imaging: An update**
 15:00-15:30 Minerva Becker, Geneva: **Imaging osteomyelitis**
 15:30-16:00 **Coffee break and Exhibition with Quiz**
 16:00-16:30 Bert de Foer, Antwerpen / Jan Casselmann, Brugge: **State of the art: MRI of cholesteatoma**
 16:30-17:00 Herwig Imhof, Vienna: **Parapharyngeal and retropharyngeal masses**

Solve the case of the month

- 17:00-17:30 Andreas Abildgaard, Oslo: **Solve the case of the month-Case 1-6**

18:00 *Buses to Get-together*

22:00 *Buses home from Get-together*

FRIDAY 7 SEPTEMBER PARALLEL SESSION I

Updates in H & N Imaging

- 08:00-08:30 Jan Casselman, Brugge: **MR imaging: tips and tricks**
 08:30-09:00 Suresh Mukherji, Michigan: **3T in H & N MR imaging**
 09:00-09:20 Mogens Aaløkken, Oslo: **Ten ways to ruin a CT examination of the neck**
 09:20-10:00 **Abstracts (8 + 2 minutes)**
 10.00-10:30 **Coffee break and Exhibition with Quiz**

Diagnosical aspects of meningeal diseases

- 10:30-10:50 Vincent Chong, Singapore: **The meninges in H&N imaging**
 10:50-11:10 Alexandra Reis Borges, Lisbon: **Meningeal invasion by head and neck tumours: Predictive value of meningeal enhancement**
 11:10-11:30 Nicole Freling, Amsterdam: **Optic meningeoma**
 11:30-12:00 **Abstracts** (8 + 2 minutes)
12:00-13.00 Lunch and Exhibition

Lymph node disease in the neck

- 13:00-13:20 Martin Mack, Frankfurt: **Lymph node disease in the neck**
 13:20-13:40 Bert-Jan de Bondt, Maastricht: **MR techniques in detection of cervical lymph node pathology**

Laryngeal cancer

- 13:40-14:00 Roberto Maroldi, Brescia: **Pre-operative assessment of local extent in laryngeal cancer. Which is the present role of imaging?**

Film reading session

- 14:00-14:30 Martin Mack, Frankfurt: **Film reading session**
14:30-15:00 Coffee break and Exhibition with Quiz

Head and Neck cancer

- 15:00-15:30 Robert Hermans, Leuven: **How imaging predicts outcome**
 15:30-16:00 Vincent Chong, Singapore: **Post radiation therapy complications**
 16:00-16:30 Alexandra Reis Borges, Lisbon: **Imaging changes due to denervation**

Solve the case of the month

- 16:30-17:00 Andreas Abildgaard, Oslo: **Solve the case of the month-Case 7-12**

17:00 General Assembly ESHNR

19:00 Buses to Gala Dinner

FRIDAY 7 SEPTEMBER PARALLEL SESSION II

Mandible and Maxilla

- 08:00-09:15 Geir Støre / Olav Jetlund / Tore A. Larheim, Oslo: **Clinical management of the mandible and maxilla.**
 09:15-09:40 Leon van Rensburg, Cape Town: **Ameloblastomas: Correlative imaging applications**
 09:40-10:00 **Abstracts** (8 + 2 minutes)
10.00-10:30 Coffee break and Exhibition with Quiz

PET-CT

- 10:30-11:00 Val Lowe, Rochester (Mayo clinic): **General overview and state of the art**
 11:00-11:30 Trond Bogsrud, Oslo: **The thyroid**
 11:30-12:00 Val Lowe, Rochester: **The unknown primary and other important indications**
12:00-13.00 Lunch and Exhibition

Clinical - surgical conference

13:00-13:40 Trine Bjøro / Arne Heilo / Terje Osnes, Oslo: **The Thyroid board, Triple diagnostics and modern multidisciplinary management of thyroid cancer**

Image guided surgery

13:40-14:00 Torstein Meling, Oslo: **Skull-base: 3D computer-assisted navigation**

14:00-14:30 **Abstracts (8 + 2 minutes)**

14:30-15:00 Coffee break and Exhibition with Quiz

15:00-16:30 **Abstracts (8 + 2 minutes)**

17:00 General Assembly ESHNR

19:00 Buses to Gala Dinner

SATURDAY 8 SEPTEMBER PARALLEL SESSION I

Oral and pharyngeal regions

8:30-8:50 Steinar Aasen, Oslo: **Cine-radiography of the swallowing process a) normal pattern**

8:50-9:10 **b) some abnormal hypopharyngeal and oesophageal patterns**

9:10-9:40 Suresh Mukherji, Michigan: **Carcinoma of the oropharynx and oral cavity: What the Radiologists need to know**

9.40-10:10 Coffee break and Exhibition with Quiz

Tumours of the nose and paranasal sinuses

10:10-10:30 Martin Mack, Frankfurt: **Tumours of the nose and paranasal sinuses**

10:30-10:50 Roberto Maroldi, Brescia: **Are there patterns in sinonasal recurrent tumours beyond the endoscopic field of view**

Salivary glands

10:50-11:10 Minerva Becker, Geneva: **Coexistent chronic recurrent sialadenitis and salivary gland tumours: a diagnostic challenge**

Inner ear imaging

11:20-11:40 Francis Veillon, Strasbourg: **Imaging of traumatic fistulas of the inner ear without fracture**

11:40-12:00 Einar Hopp, Oslo: **Imaging osteomastoiditis**

12:00-13:00 Lunch and Exhibition

SATURDAY 8 SEPTEMBER PARALLEL SESSION II

Clinical - surgical conferences

8:30-9:15 Terje Osnes / Andreas Abildgaard, Oslo: **Multidisciplinary clinical management of H&N cancers**

9:15-10:00 Johan Tausjø / Knut Håkon Hole, Oslo: **Intensity Modulated Radiation Therapy (IMRT). Principles, clinical indications and imaging requirement**

10.00-10:30 Coffee break and Exhibition with Quiz

Clinical - surgical conference

10:30-11:00 Tore Bjørnland/Tore A Larheim, Oslo: **Diagnostic imaging and surgical management of TMJ disorders / diseases**

New horizons

11:00-11:30 Per Skjelbred, Oslo: **Surgical management of craniofacial traumas and value of imaging**

11:30-12:00 Hans-Göran Gröndahl, Gothenburg : **Cone beam CT**

12:00-13.00 Lunch and Exhibition

ESHNR REFRESHER COURSE

13:00-13:30 Sabrina Kösling, Halle: **Anterior and middle skull base anatomy**

13:30-14:00 Jan Casselman, Brugge: **Cranial nerves: anatomy, imaging techniques and pathologic conditions**

14:00-14:30 Christian Czerny, Vienna: **Temporal bone: anatomy, imaging techniques, and pathologic conditions**

14:30-15:00 Coffee break

15:00-15:30 Herwig Imhof, Vienna: **The masticator space: anatomy, imaging techniques, and pathologic conditions**

15:30-16:00 Stephen Golding, Oxford: **Oral cavity: anatomy, imaging techniques, and non-malignant conditions**
